

1994 Mercedes-Benz E300 Diesel - £4700 **SOLD** PDF

This is a high-mileage, high-spec E300 Diesel estate in excellent condition. Finished in attractive Pearl Blue metallic with a dark blue cloth interior, this car features 7 seats, climate control airconditioning, twin airbags and ABS brakes

The car came to us with an A4 ring binder detailing the service history. Full Mercedes Dealer history to 198k is unusual, to say the least

The specification includes:

- * Six-cylinder multivalve diesel engine
- * cruise control
- * electric front seats
- * driver's seat with memory
- * electrically-adjustable steering column
- * climate control airconditioning
- * uprated Mercedes Premium Sound System with active bass and CD changer
- * electric sunroof, mirrors and tailgate lock
- * Mercedes towbar with twin electrics
- * Nokia CARK-91 car kit with handsfree phone connection
- * cruise control
- * rear headrests
- * headlamp height adjusters
- * ABS brakes
- * twin airbags
- * 4-speed automatic transmission
- * self-leveling rear suspension
- * walnut dash
- * leather trim on steering wheel & gearknob

High-specification multivalve diesels are rare beasts. This one will make a superb family car, tow car or long-distance cruiser

History: Full Mercedes-Benz service history

Colour: Pearl Blue

Mileage: 198k
